Dear Mr. Petranek:

In reference to your request on behalf of Indiana State University, I am pleased to confirm that your visit to CIA Headquarters has been scheduled for Thursday, 17 May, between 2:00 - 3:15 p.m. [redacted] will brief you on the state of U.S. intelligence. A representative from personnel will be available to answer any questions that you may have on career opportunities. We ask that you arrive at approximately 1:45 p.m. STAT

Thank you for sending in the list confirming that all attendees are U.S. citizens. We cannot admit foreign nationals. Please let me know if any handicapped persons will attend so that I can make special arrangements to assist them. Some form of identification with photograph must be shown to the receptionist upon entering the building. Since we have limited parking facilities, I'll need to know the number and description of vehicles you will be arriving in. Buses should plan to stay here for the duration of your visit; otherwise, special arrangements must be made with the gate. Please notify me in advance of your visit so I may take care of any arrangements to be made.

The Agency allows neither hazardous equipment--such as weapons or explosives--nor cameras, recording devices, or radio transmitters to be brought into the building.

We look forward to your visit. If you have any further questions, please call me at 703-351-7676.
